| | |
|---|---|
| Actors: | Election Chair |
| Description: | The Election Chair adds the Elections |
| Preconditions: | Login use case has to be executed successfully |
| Postconditions: | Election gets successfully added |
| **Normal Flow:** | 1. After logging into the system as Election Chair, adding/removing an election is provided on the home page. <br> 2. The Actor, after the 'add election' is selected, will be redirected to a form page, where he fills out the election form. <br>   2.1. In this form, the positions and number of positions with the scope of the electoral should be added and selected in the form. <br>   2.2. The dates for the election schedule need to be filled for various events such as Filing of nominations, Withdrawal of nominations, and Submission of polling & counting Agents. <br> 3. An option to remove will be given next to the added Election in the Election List on the home page which removes the Election and respective forms that have been registered against the election. |
| **Alternative Flows:** | |
